

# Mr. Frampton's 3-D DESIGN CLASS

Art is the Power of Creativity!

If you are looking for a unique art experience then this is the class for you! Unlike most classes, 3D design allows for you to work with your hands, building and constructing designs of your own creation. For thousands of years people have been constructing 3D objects as works of art. Part of the focus of this course will be exploring different art types that have been used in the creation of ancient trinkets to modern statues. A big part of this class is changing student perception. Art is so much more than just fancy old paintings hanging on a wall. Art can be made from anything! When you open your eyes and begin to see more like an artist, you mind begins to think in more creative and critical ways. This type of problem solving thought process will help you in every aspect of life! Our 4 main points of emphasis in this class will be:

- 1) Making
- 2) Perceiving
- 3) Expressing
- 4) Contextualizing

**Students Responsibilities:** Be on time, Always work hard and give your full effort.  
Be Considerate of others and their work.  
Clean up after yourself and complete an assigned jobs

**Parents Responsibilities:** Insure that the class fee is Paid (\$30.00)  
Encourage your student to attend class and complete all assignments

**Teachers Responsibilities:** Provide a safe, positive learning environment  
Communicate concerning classroom activity and performance  
Teach proper use of materials and techniques

## Class Rules:

A free spirited environment will help boost creativity. Because of this, there are only four rules of the class. These rules are simple but are designed to help create a “studio” environment. These rules convey the following ideas. Respect every student, the classroom & its materials. Bring Your Materials to class every day. Always put away your materials and clean up your work area before leaving for the day. Cheating will **not** be tolerated in any way.

Any student who assaults or threatens another student, steals or vandalizes property, **will forfeit the privilege of being in the art department**, and will be dismissed from enrollment.

Students are expected to be engaged for the entire class period. Wasting time by not working, excessive talking, or coming unprepared to class may result in a lose of points on the particular assignment being worked on. Sleeping is **NEVER** an acceptable use of time.

In case of a teachers absence, substitute teachers will be shown consideration and respect

**Course Fee:** There is \$30 course fee which is required for enrollment in the class. This fee will cover the cost of the various materials will be using to create our art projects

**Materials:** Each student will be required to be prepared for class everyday. This may include bringing a variety of things based upon the project we are working on. Supplies in the classroom are limited so you may not be able to borrow forgotten items. Be responsible and make sure you are prepared for each class so we can cover all of our course content. If you are unprepared for class you may lose participation points

**Grading Scale: Assignments make up 50% of your Grade**

You do not have to be an "artist" to get a good grade in my class. I require honest hard work and effort. Grades are based upon: effort, craftsmanship, demonstrating an understanding of the concepts being taught, and creativity.

A 100% - 93%	B- 83% - 80%	D+ 69% - 67%
A- 92% - 90%	C+ 79% - 77%	D 66% - 64%
B+ 89% - 87%	C 76% - 74%	D- 63% - 60%
B 86% - 84%	C- 73% - 70%	F 59% - 0%

**Late Work:** You are expected to turn in work on the given due date. However, if you ask I will allow up to 1 extra week to work on a project. Any assignment turned in 1 week after the agreed upon date will be docked 10%, after two weeks it will be docked 20%. I will not accept work that is more than 2 weeks late. Assignments due at mid-term, or the end of the quarter will not be allowed to be turned in late.

**Work Ethic/Participation: 50% of your Grade**

Participation is a huge part of your grade. This is a skill based class. **Everyday you will get 20 points** for:  
- Attending Class -Being on time Working hard and demonstrating proper behavior

Student will lose participation points for the following reasons among others:

- \*Not attending class -20
- \*Being tardy -5
- \*Leaving class without permission -20 (truancy)
- \*Using cell phone without permission
- \*Not Working, Sleeping, or doing other homework

**Absences:** If a student is absent for any reason, they still must make up all missed work. An un-excused absence will result in the lose of all participation points for that day. For the first 2 excused absences students will not lose participation points. **After 2 excused absences students will lose their participation points for every additional missed day.** Participation points cannot be made up. You have to be in class to receive them (the only exception is school excused, medically excused, or funeral related absences) **Students with MORE than 7 absences of any kind should expect to receive a 0 in citizenship and a failing (F) grade in my class.**

**Tardies:** A tardy will result in a lose in 5 participation points. Be aware that if you are more than 10 minutes late you will receive an additional deduction of points for that day. It may be possible to make up two of your tardies by spending 1/2 hour cleaning in my classroom. Arrange this with me in advance. This is how tardies will effect your citizenship grade.

0-1 tardies = 4      2 tardies = 3      3 tardies = 2      4 tardies = 1      5+ tardies = 0

This is easily one of my favorite classes to teach! I love working with young artists and I'm excited to see what you will be able to create as you learn and stretch yourselves! If you have any questions feel free to contact me:      Email - [rnframpton@graniteschools.org](mailto:rnframpton@graniteschools.org)      Phone - (385) 646-5360

By signing this paper I am acknowledge that I have read, understand, and agree with the terms of this course and agree to comply with its rules, standards, and regulations. (after signing please return this slip back to Mr. Frampton)
