

PARENT & STUDENT AGREEMENT

Hunter High School is pleased to offer students the opportunity to take Advanced Placement courses that are equivalent in rigor to college level courses. **These demanding courses require higher levels of effort, time, and commitment** than Honors level classes and are recommended for highly motivated and determined students. Students enrolled in these courses take national exams offered by the College Board in May of each year. College credit is often awarded for passing scores on Advanced Placement tests; however, students must research individual institutions on policies regarding the issuance of college credit
